About Us

Director's Letter - Steve Vose

Maranacook Adult and Community Education is looking forward to Spring of 2022 and remaining hopeful that soon we will once again be able to offer our most popular educational classes and enrichment programs face to face. Through the last few years, we have worked to modify and grow our adult education programming to embrace distance learning technologies that will help us to continue to thrive during these difficult times. We have also worked tirelessly to make sure our CDL program has continued to operate, to provide critical new bus drivers, fuel and food delivery drivers to the field of commercial truck driving. Please continue to stay positive, in these difficult times, and remain mentally and physically healthy as we move into a new year of exciting opportunities for personal growth and learning!

What We Offer

All our educational classes are open enrollment and may be joined at anytime.

HiSET or high school diploma

These programs enhance success in a job market where a diploma is often required for employment. We also offer academic support through career counseling, assessment of educational needs and tutoring. See the Academics page for further details. HiSET /Diploma services are available by appointment. Please call Adult Education Director Steve Vose at 685-4923, ext. 1009.

Higher education preparation

We support individuals pursuing post-secondary education, including career/study skills, workshops, finding scholarships, completing financial aid applications, visiting colleges, and completing college prep classes. Please call Adult Education Director Steve Vose at 685-4923, ext. 1009.

Enrichment & Professional Development

We offer a wide variety of courses and workshops to improve your health and well being, broaden your knowledge, enhance your skills, or just to have fun and meet others in your community.

Commercial Driving Licensure (CDL)

We offer a comprehensive Class B truck driving program designed to assist students in securing jobs in commercial truck driving. More than just a certificate program, we ensure every student leaves with the skills needed to secure a good paying job.

HiSET/Academics

Earn Your High School Diploma!

There has never been a better time to earn your High School diploma than now! With small class sizes and an individualized approach to learning, Maranacook Adult and Community Education offers adult students the perfect learning environment to achieve success! **The High School Equivalency Test (HiSET)** is now being administered in adult education programs across the state of Maine. The HiSET consists of the following five subtests: Language Arts Reading, Language Arts Writing, Science, Social Studies, and Mathematics. There is **NO COST** for Maine residents to prepare for and take the HiSET. Local adult education programs provide HiSET testing, preparation materials, pre-tests, and instruction, all at no cost to the learner.

To learn more about our High School Diploma program, please call 685-4923 x1009 for more information.

Academic and Career Advising

Can't figure out what your career should be? Not sure exactly what kind of work you'd like? We can help you decide. Come take an interest inventory and find out what kind of career is right for you and how to get it!

If interested, please contact steve_vose@maranacook.com or 685-4923 x1009.

Location: MCHS

Registration: Free to diploma, HiSET and College Transition (CT) students

HiSET Test Preparation

HiSET pre-testing, test taking strategies and skill building are offered to prepare students for successful completion of the HiSET test. Accommodations are available for people with documented disabilities. If you are interested in earning a HiSET, call 685-4923 x1065 for more information.

Instructor: Scott Harmon

Begins: Open Enrollment

Location: MCHS

Registration: Free to diploma and HiSET students

Online HiSET Test Preparation

Through our HiSET tutoring and instructional resources, students can study and realize their dream of achieving a high school diploma from the comfort of their home.

A limited supply of laptops and internet ports will be available for students who do not have the necessary technology.

If interested, please contact steve_vose@maranacook.com or 685-4923 x1009.

Our HiSET testing and tutoring will be face to face. However, we will be enforcing all recommended CDC safety protocols. To schedule an appointment or to discuss protocols, please contact our Director, steve_vose@maranacook.com

College Transitions

College Transitions is a bridge program leading to college. Classes are for high school graduates or GED/HiSET recipients who plan to attend college. Registration is free; students pay for books and lab fees. College transitions students must participate in four of the following six activities: 1. Meet twice with a College Transitions coach; 2. Complete pre- and post-Accuplacer college placement assessment; 3. Enroll in a College Transitions course; 4. Participate in a College Transitions workshop; 5. Participate in a College Transitions cohort group; 6. Tour a college campus. To register, call Maranacook Adult Education Director Steve Vose, 685-4923, ext. 1009.

Launch Your College Career NOW!

Math Skills for College

Course provides students with a strong foundation in basic arithmetic skills. The goal is that all students pass the Accuplacer in arithmetic.

Instructor: Scott Harmon
Begins: Open Enrollment
Location: MCHS
Registration: Free

English Skills and Writing Fundamentals

The course focus is on developing reading and writing skills. The class will benefit students preparing for the HiSET or credit recovery students needing English credits for their high school diploma.

By appointment
Begins: Open Enrollment
Location: MCHS
Registration: Free

Augusta Adult and Community Education promotes innovative and flexible learning opportunities through educational classes and community-based partnerships to ensure each student's ability to succeed and develop skills needed for further education, job training, or employment opportunities.

Career Training

To help students bridge the gap between course completion and employment, we have connected with area businesses to provide information about potential job opportunities. These sessions allow students to gain employment information and make a face-to-face connection with employers even before class completion.

Commercial Driving License (CDL) Class B: Dump Truck or Bus

This class prepares you to meet Maine DMV requirements and provides the hands-on skills that employers demand. The course consists of 42 hrs of classroom instruction to prepare for the CDL licensing process, including written and driving skills exam. The 30 hours of range instruction will prepare you for the State of Maine road test. The class fee provides for 1 endorsement, additional endorsements of Bus, Tank and Hazmat are \$25 each.

Instructor: Patti Springer

Classes coming June 2022
Dates and times to be determined

Driving time arranged individually.
Location: PDC, 75 North Road, Readfield
Registration: \$3,500

<https://maranacook.coursestorm.com/course/cdl-class-b-june-dates-tba>

The Maine Department of Health and Human Services, offers The Higher Opportunities for Pathways to Employment (HOPE) Program to parents who are pursuing training and education beyond high school that results in industry-recognized certificates or licenses. Qualifying individuals may be able to take our offered CDL class for no cost. To learn more about the HOPE Program and see if you qualify for this student financial support program, please visit the HOPE website at <https://www.maine.gov/dhhs/ofi/programs-services/hope>

Receive CDL Training for Free

Maranacook Adult Education works with a variety of organizations to assist qualifying students in taking our CDL training program at no cost. Even those students who do not qualify are still eligible to receive a 0% interest loan with flexible repayment terms.

To determine if you qualify, please contact steve_vose@maranacook.com or at 685-4923 x1009.

Introduction to Mac Basics

In this course, students will learn how to make their Mac computer (laptop or desktop) hum! Areas of focus include: Mac Operating System, features of the Mac, choosing the best browser, using Spotlight Search, learning how to use the Finder and App Store, understanding the keyboard, and learning the icons that define a Mac computer.

Begins: Upon Registration

Registration: \$29.99

Location: Self-paced online

<https://maranacook.maineadulted.org/course/introduction-to-mac-basics/>

Introduction to iPhone Basics

It is safe to say that the vast majority of iPhone users rarely use more than a fraction of the features available to them. In this course, students will learn to use their iPhones to the best possible advantage. Here are some of the critical features we'll cover: Apple ID and password; structure of the iPhone (buttons and how they work); best apps to have and how to get them; how to text, phone, FaceTime, and email; using the Control Center; mastering Settings; updating operating systems; using key apps; understanding the apps that come with your iPhone and more.

Begins: Upon Registration

Registration: \$29.99

Location: Self-paced online

<https://maranacook.maineadulted.org/course/introduction-to-iphone-basics/>

Taking Awesome Pictures With Your iPhone/iPad Camera

This is a step-by-step guide to taking beautiful photos, appropriate for novice photographers and anyone who wants to significantly upgrade their photography skills. Students will learn to take photos, portraits, slo-motion, panos, and more. Also students will learn about camera settings for proper focus and exposure, High Dynamic Range, and picture composition.

Begins: Upon Registration

Registration: \$29.99

Location: Self-paced online

<https://maranacook.maineadulted.org/course/taking-awesome-pictures-with-your-iphone-ipad-camera/>

Fantastic Photo Finishes—Organize & Edit Images with Your iPhone/iPad Photos App

Most of us take hundreds of photos that languish on our iPhone/iPad or in the cloud. Knowing how to edit images and organize your photos on your iPhone and iPad is essential. Other areas of study include using the tabs in the Photos app — “For You” tab (ready-made slide shows), creating, using, and sharing albums, and the very useful search function.

Begins: Upon Registration

Registration: \$29.99

Location: Self-paced online

<https://maranacook.maineadulted.org/course/fantastic-photo-finishes-organize-edit-images-with-your-iphone-ipad-photos-app/>

All of the courses are fully asynchronous and online, built around videos and readings. Students complete a course on their own time and at their own speed. Each course is a PDF booklet with information about the class, instructions for taking the class, and the content of the class (videos and articles accessible from direct links). Instructors provide personalized support for the class via email and online chat.

Hidden Gems on Your iPhone & iPad

Did you know your iPhone tracks your movements? The keyboard has hidden keys? You can write and draw on your photographs? You can calculate in your search window? Our iPhones/iPads have infinite and time-saving features that allow you to be creative, efficient, and have fun. These “hidden gems” will show you how to learn advanced features of your iPhone and iPad.

Begins: Upon Registration

Registration: \$29.99

Location: Self-paced online

<https://maranacook.maineadulted.org/course/hidden-gems-lurking-in-your-iphone-and-ipad/>

Take Fabulous Photos of the Flora and Fauna in Your World

This course shows you how to take beautiful photos of flowers, plants, and wildlife. Four easy-to-follow videos demonstrate and give examples of each of the topics which include: Using focus, exposure and HDR features to capture the beauty of your surroundings; ways to avoid blurry images; tips for composing your images; and editing options that turn so-so images into stunning images. In addition to the instructional videos, we have several articles with useful information to build your repertoire of photographic strategies. This course is made for you if you want to learn to use your camera or significantly upgrade your skills and abilities.

Begins: Upon Registration

Registration: \$29.99

Location: Self-paced online

<https://maranacook.maineadulted.org/course/take-fabulous-photos-of-the-flora-and-fauna-in-your-world/>

Introduction to Zoom Basics

Using Zoom more than ever? Here is a great way to learn everything you need to know about the Zoom Video Conferencing platform. The course videos demonstrate examples of using Zoom on different devices—smartphones, tablets, and computers. Course content includes: Muting audio and video; using chat; screen sharing; recording; trouble-shooting; scheduling meetings; break-out rooms; and more. This course is appropriate for Zoom beginners as well as those who have used Zoom and want to learn more.

Begins: Upon Registration

Registration: \$29.99

Location: Self-paced online

<https://maranacook.maineadulted.org/course/introduction-to-zoom-basics/>

Create and Deliver Online Zoom Courses

This course is designed for those who want to develop an online course using Zoom, a video conferencing platform. This guide consists of step-by-step videos that explain and demonstrate how to use Zoom as well as appropriate instructional tips to build an engaging online course in any subject. You will learn everything you need to know about Zoom-tools, settings, security, instructional strategies, building community, Zoom tips for instructors and students, and much more.

Begins: Upon Registration

Registration: \$29.99

Location: Self-paced online

<https://maranacook.maineadulted.org/course/create-deliver-online-zoom-courses/>

Digital Tools for the Beginning Memoir Writer

Everyone has a story to tell. Writing your memoir helps you reflect on the varied experiences that impacted your life and helped shape who you are today. This course looks at a variety of digital tools, available through any digital device, that make the process of memoir writing more fun and a little less daunting. You will explore several unique approaches to research, learn strategies for gathering and storing materials in one easily accessible place, and delve into ways to illustrate your memoir even if you are not an artist. Polishing your work for publication and presenting it in a public format are other video topics. You will leave the course well equipped to begin your writing adventure.

Begins: Upon Registration

Registration: \$29.99

Location: Self-paced online

<https://maranacook.maineadulted.org/course/digital-tools-for-the-beginning-memoir-writer/>

Cooking With BoomerTECH Adventures

In this course, BoomerTECH Adventures guides Chris, Jill, and Ed share their love of cooking and enjoyment for lots of different types of foods. You will learn how to prepare several tasty stir fries using traditional Chinese flavorings, make fresh pasta, turn leftover sweet potato into gnocchi, stir up a great fried rice, and give ramen soup a delicious upgrade. In addition, discover an easy way to make your own pita pockets, flat breads, and tortillas. Plus, you will see a way to combine the benefits of cooking on cast iron with your love of grilling. We haven't forgotten dessert! Who can resist a delectable chocolate brownie torte or apple pie?

Begins: Upon Registration

Registration: \$29.99

Special Interests

Tiny Tadpoles

In this class, you and your little loved one will together explore and learn about forests, fields, ponds, and stream habitats in Maine. We will explore colors, shapes, and patterns of

nature while learning about the plants and animals of these habitats with fun and engaging age-appropriate activities. Each spring-themed class will feature a guided lesson and activity, songs and movement, and a story. Join us as we nurture and develop your little loved one's natural Sense of Wonder!

Ages 1 - 3 with an Adult Caregiver(s)

Instructor: Nicole Danielson

6 Thursdays, 9:00-10:00 am

Begins: April 21, 2022

Registration: \$75/pair

Location: Rosmarin and Saunders Family Forest, Kennebec Land Trust, Readfield ME

<https://maranacook.maineadulted.org/course/tiny-tadpoles/>

Nature Explorers

In this class, you and your young explorer will learn about animal habitats, life cycles, animal and plant adaptations, aquatic life, decomposition, and conservation of Maine's forests, fields, ponds, and stream habitats. Each spring-themed class will feature a fun and engaging lesson, guided exploration and activity time, story, movement, and craft. Spring is a wonderful time to get out and explore nature all around us!

Ages 4-8 with an Adult Caregiver(s)

Instructor: Nicole Danielson

6 Thursdays, 10:45-12:00 noon

Begins: April 21, 2022

Registration: \$90/pair

Location: Rosmarin and Saunders Family Forest, Kennebec Land Trust, Readfield ME

<https://maranacook.maineadulted.org/course/nature-explorers/>

Nature Investigators for Homeschool Families

In this class, older students will gain a deeper level of understanding and appreciation for natural communities and ecosystems. In particular, we will explore concepts relating to habitats, forest succession, wetlands, and biological adaptations. Classes will include guided group activities, investigations using the scientific process, teacher and student led demonstrations, and explorations of forests, field, and aquatic habitats. If there is interest, additional home study ideas, activities, and resources can be provided!

Ages 8 - 13 with an Adult Caregiver(s)

6 Thursdays, 1:30-3:00 pm

Begins: April 21, 2022

Registration: \$108/pair

Location: Rosmarin and Saunders Family Forest, Kennebec Land Trust, Readfield ME

<https://maranacook.maineadulted.org/course/nature-investigators-for-homeschool-families/>

Nicole Danielson loves sharing nature with families!

In addition to being a classroom teacher for many years, Nicole was the Director of the Children's and Family Programs of the Audubon Naturalist Society in Chevy Chase, Maryland, and the Director of the Summer Camp Nature Programs at Montshire Museum of Science in Norwich, VT. Most recently, she was Director of Maple Tree Community School in Readfield, Maine. She is excited to reconnect families together and share the joy of nature with multigenerational families!

Special Interests

Gentle Yoga for Vitality and Resilience

Staying calm and having robust energy is challenging in our world today. This series of accessible yoga classes teaches you how to master your nervous system to reduce stress and muscular tension. You will learn how to nourish and create resilience which is powerful medicine for your brain and your immune system. The last class will be a full yogic deep relaxation experience. Everyone welcome!

Instructor: Susan Coady

6 Mondays, 4:30-5:30 PM

Begins: February 21, 2022

Registration: \$60 per session

Location: Online

<https://maranacook.maineadulted.org/course/gentle-yoga-for-vitality-resilience/>

Susan Coady has been teaching yoga for almost 40 years. She is certified through Kripalu Center for Yoga and Health in Lenox, MA. Over the years, she's taken many programs at Kripalu, is certified in Ayurvedic studies and bodywork, is a graduate of Russill Paul's 4 year Yogic Mystery School, and is currently an advanced student of Raja Choudhury, avidly exploring the Shakti tradition of mantra and meditation. Susan believes yoga should be accessible and enjoyable for everyone!

Martial Arts for Youth & Teens

The Martial Arts Institute will be offering a 4 week course for youth and teens where students will be introduced to various components of martial arts. Initially students will learn how to block, punch and kick and then progress to partner training and Kata (forms). Application for the techniques will also be introduced in conjunction with karate etiquettes and philosophies.

No experience necessary.

Ages 8 -15.

Share Your Skills and Be a Literacy Volunteer

Be a literacy tutor, learn skills needed and time commitments. Techniques and strategies for tutoring adult learners in basic reading, writing, philosophy and approaches to adult learning and engaging English learners in culturally respectful ways. Help learners with digital literacy, financial, and health literacy. Understand a learner-centered approach driven by each learner's goals.

Participants will be provided "Tutor, Eighth Edition" that includes research-based and innovative ways to help deliver instruction and facilitate effective tutoring. Other informational materials will be provided. There is NO cost for materials. There is no fee for this class.

Instructor: Virginia Marriner

3 Tuesdays, 5:30-7:30 pm

Begins: March 15, 2022

Registration: Free

Location: Online

<https://maranacook.maineadulted.org/course/literacy-volunteer-tutor-training/>

Virginia is the Executive Director of Literacy Volunteers of Greater Augusta. She has taught training in one-on-one tutoring using researched based materials from ProLiteracy for over seven (7) years. She has attended national conferences and workshops in adult education both in person and on-line. She has also attended training webinars conducted by the Coalition on Adult Basic Education (COABE), in-person workshops on family literacy and engagement through the National Center for Families Learning (NCFL) and in-person workshops conducted through the Barbara Bush Foundation for Family Literacy.

Special Interests

Registered Maine Guide Training

Train to become a working Registered Maine Guide not just a test taker. Learn the skills that guides use daily including: map & compass, coastal navigation, shelter building, separated client searches, cooking, canoeing, snowshoeing, SUP'ng, plus specialty skills for sea kayaking, fishing, and hunting guides. This hybrid program includes Zoom, all day workshops, and homework assignments. Students need access to a computer/tablet with audio and video capabilities, a printer, and a 2 degree base plate compass at the minimum. Depending on what specialty the student wants to become as a Registered Maine Guide, they may need more. A complete list will be provided directly to the students.

Instructor: Alice Bean Andrenyak
10 Tuesdays, 6-9 pm
Begins: January 18, 2022
Registration: \$500
<https://maranacook.maineadulted.org/course/registered-maine-guide-training/>

Coastal Navigation Level 1

Learn the basics of coastal navigation using local charts, parallel ruler, and dividers. Learn what the symbols mean, how to determine safe and dangerous routes, create courses, learn rules of the "road", what aids to navigation look like and do, plan for emergencies and more. For kayakers, sailors, powerboaters, and future Registered Maine Guides. Students will need access to either a Casco Bay Chart or Penobscot Bay Chart, parallel ruler and dividers.

Instructor: Alice Bean Andrenyak
2 Tuesdays, 7-8:45 pm
Begins: April 5, 2022
Registration: \$50
Location: Online
<https://maranacook.maineadulted.org/course/coastal-navigation-level-1/>

Map & Compass Level 1

Hike, snowshoe, geocache, hunt, and enjoy the woods and fields of Maine with confidence that you can read a topographic map, understand the symbols, know which way a river flows, plot a course bearing, use online resources, and how to get to safety. Familiarization to using a compass and map outdoors included. Students must have a DeLorme Maine Gazetteer, and a 2-degree baseplate compass.

Instructor: Alice Bean Andrenyak
2 Wednesdays, 7-8:45 pm
Begins: March 16, 2022
Registration: \$50
Location: Online
<https://maranacook.maineadulted.org/course/map-compass-level-1/>

Winter Survival Skills

During this one day outside workshop, you'll be wearing snowshoes while improving your skills with: compasses (taking and following bearings), fire building, cooking using various techniques,

shelter building, and how to search for a separated group member and handling some possible first aid issues. Designed for those with some knowledge who will be leading family members or small groups in the colder weather outdoors, or preparing to become a Registered Maine Guide.

Instructor: Alice Bean Andrenyak
Saturday, February 12, 2022
Time: 8:15-5:15 pm
Registration: \$75
Location: Workshop is in Brunswick ME
<https://maranacook.maineadulted.org/course/winter-survival-skills-workshop/>

Special Interests

Malaga Island History

Learn about the eviction of a complete community living on Malaga Island in Casco Bay in 1912. Learn the prehistory of the island's use by our indigenous people and post history of the island after the eviction. Learn a bit about the mainland African American village in coastal Maine that no longer exists but predated the Malaga Island Colony. Visit the island remotely through a slide show created by Master Maine Guide, Alice.

Instructor: Alice Bean Andrenyak
Tuesday, May 10, 2022
Time: 7- 8:45 pm
Registration: \$25
Location: Online
<https://maranacook.maineadulted.org/course/malaga-island-history/>

Alice has been leading interpretive historical tours to this island since 1989, and has done serious historical research. She is a Master Maine Guide who has been guiding for over 40 years, running her own full year guiding business (Alice's Awesome Adventures). Former Inland Fisheries and Wildlife Guides Board Examiner.

Register online

We take credit and debit cards and have a new, streamlined process for mobile devices.

<https://maranacook.maineadulted.org>

Backyard Composting

Learn to compost food scraps, garden debris and yard materials into a usable amendment that adds valuable organic matter to your soil, builds the humus layer and recycles plant and animal nutrients. C.J.Walke has over 20 years experience in Maine agriculture and MOFGA (Maine Organic Farmers and Gardeners Association, mofga.org) for 15 years.

Instructor: C. J. Walke
Wednesday, April 13, 2022
Time: 6:00-7:30 pm
Registration: \$10
Location: Online
<https://maranacook.maineadulted.org/course/backyard-composting/>

Needle Felting Beginning & Intermediate

Using wool, create a small sculpture for display, holiday ornament, etc. Special needles will be used for creation. You keep your work with the provided needles, felting pad and some fleece to create more at home. This class is for beginners and intermediate/novice felters.

In addition to the class fee, a supply kit for \$8.00 will be required for purchase directly from the instructor the night of the class.

Instructor: Lori Twiss

Wednesday, April 27, 2022

Time: 5-7:30 pm

Registration: \$15

Location: Class meets MCHS

<https://maranacook.maineadulted.org/course/needle-felting-beginning-intermediate-april-class/>

Flat Felting Beginning & Intermediate

Create a flat felt landscape. If you have needles you may bring them. You will receive a kit from the instructor containing needles, felt background and color fleece to finish your design.

In addition to the class fee, a supply kit for \$8 will be required for purchase directly from the instructor the night of the class.

Instructor: Lori Twiss

Tuesday, March 8, 2022

Special Interests

Instant Piano

In just a few hours, you can learn enough secrets of the trade to give you years of musical enjoyment. Learn to play piano the way professionals do-using chords. Since this class is being held online with Zoom you will be able to sit at your piano or keyboard at home and take this course with no pressure at all. And since this course includes an online book and online follow up video lessons, you will be able to continue your practice and study on your own. An optional periodic online question and answer session is also included. A recording of the class is included as well. The course is partly lecture/demonstration and partly hands on instruction.

Instructor: Craig Coffman

Monday, April 25, 2022

Instant Guitar

Have you ever wanted to learn the guitar but simply find it difficult to find the time? In just a few hours you can learn enough about playing the guitar to give you years of musical enjoyment, and you won't have to take private lessons to do it. This crash course will teach you some basic chords and get you playing along with your favorite songs right away. Since this class is being held online with Zoom, you will be able to sit at home with your guitar and take this class without any pressure at all. And since the class includes an online book and online follow-up video lessons, you will be able to continue your practice and study on your own. An optional periodic online question and answer session is also included. A recording of the class is included as well.

Beginner Metalsmithing: Silver Ring

Learn the skills necessary to create a simple, silver ring, custom fit to your finger! You will be taught how to properly size the ring, cut and file it for comfort, solder it using a torch and achieve a mirror finish through polishing.

Instructor: Tom Ferrero

4 Thursdays, 6-8 pm

Begins: March 10, 2022

Registration: \$95

Location: MCHS

<https://maranacook.maineadulted.org/course/beginner-metalsmithing-silver-ring/>

Tom Ferrero is a jeweler and painter with a master of fine arts degree in Metalsmithing from Indiana University. He is a US Fulbright recipient and the 2019 Maine Master Craft Artist for the Maine Craft Association. He was an Assistant Professor of Jewelry and Metalsmithing at NSCAD University in Halifax, Canada for 6 years before moving to Maine to teach part time at Maranacook Community High School. Ferrero is also the winner of the 2012 and 2016 Saul Bell International Design Award in Holloware and has work in the private collection of the Kamm Teapot Foundation in California.

Acadian Arts Spring Retreat at Grey Havens Inn / May 23rd to 26th, 2022

Escape to a grand Victorian inn on the coast of Maine with an intimate group of artists and cooks. You'll get to choose one of three hands-on workshops plus an opportunity to experience one or more of the other offerings during our four days together. Cost is \$395.00 per workshop (all meals and workshop materials are included). For overnight accommodations please contact The Grey Havens Inn in Georgetown, Maine at <https://greyhavens.com/>. Day students are also welcome.

International Fusion Homestyle Cooking for a Crowd engages all the senses. Cooking instructor and author of 6 cookbooks, Chris Toy has been teaching Asian themed and fusion recipes privately, for community education statewide, Stonewall Kitchen Cooking School in York, La Roux Kitchen in Portland, and Now You're Cooking in Bath. Together you'll prepare great tasting lunches and hearty dinners for yourselves and fellow artists. Instruction will include selection and care of tools, history of recipes, finding, choosing and preparing ingredients, and techniques for getting great results in record time. All supplies and tools will be provided.

Set Your Creative Spirit Free with Grammy nominated singer-songwriter, artist, and teacher Kat Logan. Drawing on the power of art to find your magic within!! Creativity is the magic of making something happen and letting something happen. In our time together, we will explore our true creative nature by opening to your intuition, your storehouse of knowing to express your talent. Come and find your GOLD! We will work on a variety of materials, all which are provided, and keep a process journal to begin a daily practice that you can take home with you.

Watercolor Painting is an exciting medium; it flows and moves and does beautiful things. Instructor Mary Laury has been recognized for her work by the Maine Arts Commission. Workshop participants will do landscapes and seascapes in this 4 session course. If you have never painted in watercolors we will start at the beginning. If you have painted before, you will pick up some new tips and tricks as well. We all learn together! We'll begin with a demo and lesson. Weather permitting, we will go outside for plein air painting. This Inn has a breathtaking view, visible from the lawn, porch, and parlor. Later in the week we'll finish up with show and tell. We will do studies of sky, water, and rocks, culminating in a finished painting (or two) of a seascape. Materials will be provided, but bring what you have.

Special Interests

Driver Education (Ages 15+)

Roy's Driver & Rider Education is offering in-person classes at Maranacook High School. Roy's follows all CDC and DECD guidelines as well as any requirements set forth by Bureau of Motor Vehicles. Please call or email for dates. Registration is directly through Roy's Driver & Rider Education at <https://www.roysdriving.com/> or at (207) 784-6245. All students must be at least 15 years old at the time of the first class.

Roy's Driver & Rider Education has been providing quality drivers education classes for Maine residents for over 60 years for individuals looking to get their Maine drivers license or Maine motorcycle license. We offer Maine drivers license education classes year round and Maine motorcycle license education classes seasonally.

We offer drivers education classes in Auburn, Brunswick, Camden Hills Regional High School, Freeport, Lewiston, Lisbon Falls, Medomak Valley High School, Oak Hill High School, Livermore Falls Adult Ed, and Turner (at the Leavitt Institute).

"With you at every turn" is our motto. We care about the quality of education that we give to our students. Our goal is to provide a driver education course to our students as cost effective as possible. We strive to perform these services in a timely and professional manner. We want our students to leave us with the knowledge that they need in order to be a good safe driver.

Program Information & Policies

Diploma Courses

Diploma classes begin the week of January 3, 2022. Please check individual class start dates and times. General/vocational classes and workshops will begin at varying times throughout the semester. There will be no classes on the following holidays and school vacations: 1/17, 2/21-25, 4/18-22, 5/30.

Class cancellations

Classes without sufficient enrollments are cancelled. Please sign up early to ensure minimum enrollment requirements are met.

Storm cancellations

When day school is cancelled, Adult Education classes are generally cancelled and our office is closed. To verify cancellations, check TV channels 6, 8 and 13 or our district website.

Parking & Security

To allow passage of emergency vehicles, obey posted parking signs. Parking in the circle at Maranacook Community High School is prohibited.

Smoking

There is no smoking on school property, indoors or out. Thank you for your cooperation.

Office Hours

Office hours are by appointment, to align with current health practices. Monday-Thursday, 1-9 pm, during the academic year, except holidays and school breaks.

Maranacook Adult Education Staff:

Director: Steve Vose, ext. 1009
 Staff: Susan Simons, ext. 1065
 RSU 38 Superintendent: James Charette

Class Locations noted in course listings

Register for Classes Online

On the web, go to maranacook.maineadulted.org. Credit and debit cards are accepted for online registrations only, not by mail or in the office.

Register for Classes By Mail

Please complete a separate registration form for each person. Include a check (no cash or credit) made payable to RSU 38 Adult Ed. Send form and check to: RSU 38 Maranacook Adult Education, 2250 Millard Harrison Drive, Readfield, ME 04355.

Registration Policies

Reservations: We do not reserve a space in class until payment is received. Register early to avoid class cancellations. You will be notified only if registration difficulty is encountered or if a class is cancelled due to low enrollment. We do not accept telephone registrations, except for free classes as payment is required at registration.

Discount for Seniors & Veterans: Residents age 65+ and veterans with proof of service are eligible for a 10% discount on registration fees over \$10, except for CDL Training.

Refunds: We refund fees if class is cancelled or full when we receive payment. We will notify you before the first class. Please allow 3 weeks for processing refunds when you pay by check. Online registrations are credited to the account used in the transaction. Refunds given for withdrawals at least 7 days before the class start date. A processing fee may apply. Refunds in other circumstances are at the director's discretion.

Special Circumstances: Fee waivers given for academic, computer, or career courses for those who meet financial eligibility requirements. Special needs are accommodated with advance notice. Call Steve Vose at 685-4923, ext. 1009.
